Sacred Heart School

ENLIGHTENING MINDS ♥ ENRICHING SOULS ♥ INSPIRING HEARTS

Sacred Heart School is an exceptionally close community, where you will immediately feel like you belong. SHS fosters a positive, inclusive campus where a common respect and genuine concern for one another underlies all that we are and all that we do. Making Sacred Heart School a happy place is as much of a worthwhile pursuit as developing the school curriculum. Our Home & School Association, parent volunteers and faculty and staff work together to ensure every child who walks through our doors is safe, loved and happy each and every day.
