Celebrations

Hundreds of children have gotten devices

Yearbooks on their way

Student of the month

NJHS nomination ceremony

One out of 2 schools in the district that shared the google classrooms; Marlin presented Ms. Yi's classroom to the district

Covid-19 updates/ Grading policies

Governor allowing access to different places; permit to building access for teachers and staff to get supplies

Blended instruction talk and thinking about what school will look like in the many different ways schools may be

K-5 M and N M=met the standards N= not met

6-8 M, NM, CIP M= Met;

Final grade will be a letter grade

Parents will be concerned about grading, middle school entrances

Regents to get credit in the past if you took regents

K-5 is M or N (Met the standards or did not meet)

MS: M is met, N is NOT met, or MX means "Course in Progress"

Maybe it's "NX" not mx

Final grades for all MS will either be M, N, or MX (NX?)

But there will also be 4th quarter marking period grade

This idea of "fourth quarter marking period grades" is only relevant for middle school students... they'll get real grades for Q4 but their "final grades" will be N, M, or MX

Regents: Usually, you wouldn't get Regents credit unless you passed the Regents test

The state says, if you are IN a Regents course right now, you pass
Anyone who was in a regents class passed the Regents.

Many things have been put on hold: We are trying the student of the month is tonight.
Celebrations like 8th grade dance is cancelled; 8th grade graduation is in the works, we
are working on the logistics of what would be ideal for our school community

Ideas for 8th grade procession are shared amongst the team

Principal would like a town hall to address the concerns for parents and give updates;
Town hall meeting should be held in two sessions plan for Monday and Tuesday nights

CEP GOALS

AP Paley shares Pear Presentation for our CEP goals; This presentation was created for
the classroom so you can present it to the students

Objectives for the past year was different than any goals in the past

Objectives and percentages questions for ELA, MATH and SEL goals

2 minutes for each member to read and ask questions for each slide; What are your
thoughts, noticings and wonderings about these objectives

New CEP plan for 2020-2021

Training for CEP on May 21 from 2-3pm

May 20 and May 21st Webinars being held

Draft is shared of the timeline for CEP goals;

SMART goal worksheet similar to past years

We need to make decisions on end of the year assessments; it is different remotely
