Dear Pocantico Families:

Happy Friday! I hope that this message finds you all well and safe!

The Governor has extended the school closure order through Friday, May 15, 2020. This means that the earliest that we will be able to return would be Monday, May 18, 2020. We will continue to update you as we receive additional guidance, however, I continue to advise that this is a situation that is not going to be resolved quickly.

We recently created a Pocantico COVID-19 response page: <https://pocantico.pocanticohills.org/covid> and if you have not visited it I would urge you to do so; it is a great tool that is constantly updated with the latest information and resources.

On a personal note, I want to thank all of you for your support, not only of the students and school but for the community as a whole. I received three calls last week from community members seeking assistance....not for themselves, but for others! That speaks volumes for the care and compassion that you hold for one another. Well done #TeamPoco!

As always, we are here to help in any manner that we may, so please, do not hesitate to reach out to us. We are all in this together and together we will meet and defeat this challenge!

My best regards,

Rich
