Dear Families,

This update is to notify you that the governor has extended the school closing until 4/15/20. We will be providing home-based instruction from 3/30/20 through 4/3/20. Spring break will proceed as scheduled: 4/6/20 through 4/13/20. Students will be provided with home-based instruction on 4/14/20 with an anticipated return to school on 4/15/20.

While midweek may seem an interesting time to return, it is based upon his two-week extension model.

I will continue to update all of you as information becomes available.

My best regards,

Rich
